Art Gallery Features Work of Jonpaul Smith

The Centerville Arts Commission is pleased to announce Jonpaul Smith as the October feature in the Art Gallery at the Centerville Police Department, 155 West Spring Valley Road. The exhibit may be viewed 24 hours a day.

Jonpaul Smith is inspired by the complex relationships of systems and patterns that control and dictate the world in which we live. He approaches his woven and constructed paper pieces from a variety of perspectives. Common to all are the processes of disassembly and reassembly. His materials can be his original traditional and non-traditional prints, paper ephemera and the packaging of everyday household items.

Smith cuts materials into strips of various sizes, then painstakingly overlapping and weaving them into meticulous, intricate compositions. His complex, tapestry-like constructs make use of pop culture imagery.

The Centerville Arts Commission was created by Centerville City Council to involve citizens in the visual and performing arts. For more information, please call 937-433-7151 or visit centervilleohio.gov.
