Art in the Heart Report	We have fewer artists that we hoped. It was suggested that the rule be waived to allow Artists on the Art Commission to participate by adding a booth at the Art in the Heart on June 28 th . Francine suggested asking St. Lenard's artists to show together in one booth. Hithergreen artists were also suggested.	No action to be taken need be taken at this time, as it is a growing event.
Summer Concert Series Report	Carol Wasson is the new chair of the Summer concert series. She has agreed to introduce next week's concert, Dwight Lennox. Ryan is the new summer stage manager. Last concert had excellent response, 1104 attendees. The Press releases were commended. Carol noted that the Handicap area was not sufficiently signed.	Please sign up to help at one or more of the concerts for this summer Angie to email the list of concerts to all members. Public works will correct this before the next concert.
