

## **South Johanna Drive Paving Project: Expect traffic delays this week**

### **Sept. 28 - 30: Expect possible delays in traffic on South Johanna Drive and consider alternate routes**

Beginning tomorrow, September 28, a contractor will be installing curb on the east side of South Johanna Drive, weather permitting. Curb work should be completed by Friday, September 30. The west side of the road is still narrowed from previous curb installation. South Johanna Drive will be significantly narrowed during curb installation work this week. Expect possible delays in traffic as this work is completed. Consider alternate routes September 28-30 as curb machine and concrete trucks may restrict lanes during work hours.

Homeowners on the east side of South Johanna Drive will be parking on nearby streets for the next 12-14 days, including Weller Avenue, Bethel Road, and Tuxworth Road. Parking will be prohibited on both sides of South Johanna Drive.

The expected completion date for this project is November 11, 2016. The contractor is working to complete this project as quickly as possible to minimize the inconvenience to the residents.

## **Centerville Construction Update**

Centerville Construction Update is an email notification from the City on current and upcoming road/utility improvements that may affect your travel throughout Centerville. For more information, visit <http://www.centervilleohio.gov> or call (937) 433-7151.
