S. Johanna Drive Paving Project

Beginning tomorrow, Wednesday October 19 through Friday October 21, pavement sealing will begin on S. Johanna Drive. Pavement is expected to follow the week of October 24th.

During pavement sealing, traffic will be restricted to one lane and maintained with flaggers. Expect possible delays and consider alternate routes during working hours. The contractor will make every effort to minimize the disturbance and inconvenience to the property owners.

Wilmington Pike, Phase II Roadway Project

Beginning Thursday, October 20, the City of Centerville's contractor will be performing the final milling and paving of Wilmington Pike for the Phase II Roadway Improvements Project. All work is located in public right-of-way and paving will take place overnight, from 7 p.m. until 7 a.m. to minimize further traffic congestion during peak hours. Weather permitting, this work should be complete by October 25, 2016.

The contractor will make every effort to minimize the disturbance and inconvenience to the property owners.

Centerville Construction Update

Centerville Construction Update is an email notification from the City on current and upcoming road/utility improvements that may affect your travel throughout Centerville. For more information, visit <http://www.centervilleohio.gov> or call (937) 433-7151.
