City compiling list of groups to rake leaves and shovel snow for homebound

The City of Centerville is again compiling a list of individuals, groups, and organizations willing to volunteer to assist elderly and disabled Centerville residents with leaf and snow removal. The list will be maintained by City staff and available to residents. The City will also maintain a list of individuals and companies that perform those services for a fee. “We know there are many older or disabled residents who are unable to rake leaves or shovel their walks,” says Greg Horn, Centerville city manager. “Some residents can afford to pay for the service, but often do not know whom they can call. Others may not be able to afford the service, especially if it is an unusually bad winter.”

Once residents receive the resource information from the City, it is their responsibility to contact someone from the list and make the necessary arrangements.

To volunteer, list a business, or receive the resource list, call City Offices, 433-7151.
