CENTERVILLE COUNCIL TO HOST FINAL TAX LEVY INFORMATION MEETING

Centerville City Council will host the third and final community meeting to answer questions and provide information regarding Issue 3, the proposed 0.5 percent income tax increase that will appear on the Nov. 8, 2016 ballot.

Citizens are invited to attend the meeting at 6:30 p.m. Nov. 1 in the banquet room at The Golf Club at Yankee Trace.

Issue 3 asks voters whether to approve a 0.5 percent income tax increase. With voter approval, it will increase the income tax from 1.75 percent to 2.25 percent to help maintain the quality of services the City of Centerville provides its citizens.
