In recognition of National Police Week and National Police Memorial Day, the Centerville Police Department has partnered with the Dayton Police History Foundation and the Montgomery County Law Enforcement Memorial Foundation to create an exhibit honoring the courage and sacrifice of the men and women of law enforcement from both past and present. There is a rich history in law enforcement for the Miami Valley dating back 150 years when the Dayton Police Department was first founded. Throughout the years, the Miami Valley has led the way in progressive law enforcement equipment and tactics. During the month of May a mixture of pictures, artifacts and displays will be exhibited in the gallery at the Centerville Police Department, 155 W. Spring Valley Rd. Centerville OH 45458.

On Monday, May 1, 2017 at 6:30 p.m. there will be an opening ceremony and special presentation by the Dayton Police History Foundation outlining many of the accomplishments of Miami Valley law enforcement throughout the years. Also on opening night, Dayton History at Carillon Park will have a special exhibit at the Centerville Police Gallery for one night only. Weather permitting, Esther Price Candies will have on display their fully restored 1930 Diamond-T Paddy Wagon and Buckminn's D&D Harley Davidson will be displaying a 1966 Dayton Police Department three wheeled Harley Davidson motorcycle.

All of these exhibits are free of charge and open to the public. If you have any questions please call or email Officer John Davis at 937-433-7661 or jdavis@centervilleohio.gov
