Centerville Police Department
155 W. Spring Valley Road
Centerville, Ohio 45458
937-433-7661

The Centerville Police Department recently completed their 2017 second quarter traffic analysis and has determined the top five roadways with the highest accident rates based on traffic volume.

1. Wilmington Pk. between Whipp Rd. and Clio Rd.
2. Far Hills Ave. between Whipp Rd. and Alex Bell Rd.
3. E. Franklin St. between Main St. and Clio Rd.
4. S. Main St. between Spring Valley Rd. and Franklin St.
5. N. Main St. between Alex Bell Rd. and Franklin St.

During the third quarter of 2017, selective enforcement will be conducted in these areas to reduce the number of auto accidents. Moving violations such as speed, assured clear distance ahead, improper lane changes, red light violations, driver inattention and seat belt violations will be strictly enforced.
